

Betis Direct is an experienced provider of comprehensive information technology products and solutions. Since 2016, we have supported Federal, Corporate, Healthcare, and Education customers worldwide. Our services include systems engineering, enterprise solutions, technology deployments, infrastructure installation and upgrades, and hardware and software sales. We help organizations meet business requirements through practical, innovative technology implementations.

OUR PEOPLE MAKE THE DIFFERENCE

▶ **Team Oriented Environment**

▶ **Spirit of Cooperation**

▶ **Pride and Achievement**

PUBLIC SECTOR — Betis provides hardware, software, and solutions to address the federal, state, and local government's top challenges head-on

EDUCATION — Educators leverage our expertise to help them achieve their goals

HEALTHCARE — Betis' Healthcare IT solutions meet HIPPA and FIPP compliance standards while ensuring safe and secure patient data.

FINANCIAL — Financial Services customers choose Betis to help them modernize their operations
